HAND MADE KNIVES

[www.perkinknives.com](http://www.perkinknives.com)

We make and sell a range of Bushcraft knives, bowie knives, hunting knives, camping knives, hatchets, axes, choppers. We can make knives in Damascus, D2, Ball Bearing, 440C Steel, 420C Steel, J2 Steel, 1095 and Damascus steels with variety of handle materials.

All of these are specially designed for those of you who enjoy being outside, camping, Bushcraft & hunting. Most of knives are hand made. We make our own Our damascus steel is over 150 layers. Damascus Steel made with a wavy surface pattern produced by hammer-welding strips of steel and iron followed by repeated heating and forging We folded two types of steel (1095 & 15 N 25) several times to obtain 150-200 layers. The hardness of our steel is 56-58 Hrc on rockwel scale. We also take custom Orders.

You can order us your own knife as per your specifications and design, Our Knife makers are really very efficient to meet customers' requirements. In Case you Like any of our Knives which have been sold or not in stock, Nothing to Worry about and just Place order with us of same knife, it will be ready within three to four weeks. You may email or call us to discuss custom order. This catalogue helps you to decide and place your order.
